**Seattle WA** 

# **Education**

# Bachelor's degree Computer Science

University of Washington 2015 – 2019 Graduating end of Fall 2019, 3.71/4.0 GPA

# **Experience**

# Software Intern FCP Insight

Jun 2018 – Sep 2018 Greater Seattle Area

Created a dashboard to calculate and visualize sales statistics and provided instant access to construction bids and sales

Improved the performance of the data access via custom caching and bottleneck elimination

Technologies used including Java, SQL, HTML, and CSS.

# Instructor iD Tech Camps

Jun 2016 – Aug 2017 Palo Alto, California

Managed classrooms full of 32 students

Reviewed Children's performances each week and report them

Design weekly lesson plans to educate children and remain flexible enough to cater towards personal abilities Lead camp activities with upwards of 100 children from ages 4-11

# **Projects**

#### **Graduate Level Course Robot**

Used an open source library to apply edge detection, Hough transforms, and Haar Cascades to identify faces and shapes

Controlled robot movements using coordinate transforms. Used value iteration to solve Markov Decision Processes

# Website (rbb2.github.io)

Created a personal website using JavaScript, Bootstrap, HTML, and CSS

### **UW Campus Map**

Created a campus direction map from scratch using a graph implemented as an adjacency list and Dijkstra's algorithm to find the shortest path between 2 locations on campus

#### **Hackathons**

An iOS app that sends money to charity if you snooze an alarm using Venmo's

A web-based application that recommends an outfit based on weather conditions and style matching

#### Courses

Data Structures & Parallelism

**Data Visualization** 

Foundations of Computing I, II

**Database Management** 

**Hardware Software Interface** 

**Robotics Graduate Level** 

Artificial Intelligence Udacity

### **Activities And Awards**

Dean's List 2015-2018

Huskylnnovate 2017 1st place April 2017

Team Captain and Webmaster For Robotics

Team Captain
For Volleyball and Basketball

# Languages

Mandarin Chinese Working Proficiency

# Skills

Java
